Attendance target 94% or better. Last week's attendance was 93.7%. Let's all make every day count!! Thanks to Bundy Bowl and Leisure Complex for giving the school some awards to promote attendance each term this year (www.bundybowl.com.au).

A big welcome to Woongarra, Kathy and Life Ed's mascot Harold!!

Kathy Bayliss and Harold visit our school from today (May 4) until Friday May 13. Each class will have a session with Kathy in the Life Ed Van. **Life Education receives minimum government funding**, therefore your payment of \$5.00 per child helps to ensure the ongoing valuable work of Life Education.

GREAT NEWS FOR 2016!!! The QLD Health Dept. is paying full attendance costs for a SECOND program for Year 6 students. This is due to a State initiative to encourage young people not to smoke. The module the students will receive is "On The Case" (smoking). This means that all classes attend once, except Year 6 attends TWICE with the second session being free of charge (paid by the Dept. Health).

Remember if you are going to order some Harold products the order form went home in last week's Newsletter. Purchasing these products contributes towards maintaining Life Education in the Bundaberg District. Please complete the order form and place it with the correct money securely into an envelope/bag and return it to the school office no later than the last day of the Life Education visit (13 May). *Products will be returned within 2 weeks after the visit.*

Happy Mother's Day

Mother's Day has a long tradition across the world and I wonder how many mums will receive chocolates or flowers from their kids. Mothering Sunday celebrated in England, back in the 1600's, was a day for sons and daughters to travel home, as they would receive the day off work. Many countries world-wide celebrate Mother's Day in May.

So to all mums and grandmothers, happy Mother's Day on Sunday. Hoping for a very relaxing day ... time to step up for your mums, kids!!

NAPLAN

NAPLAN for students in Years 3, 5, 7 & 9 will be conducted on Tuesday 10, Wednesday 11 and Thursday 12 May. ***This is next week. Please, if your child is in Year 3 or 5, give them a particularly great breakfast on this day to help set them up to give their best!!***

The schedule for the 2016 NAPLAN tests for all year levels is as follows:

- Tuesday 10** Language conventions followed by Writing
- Wednesday 11** Reading
- Thursday 12** Numeracy

NAPLAN assesses skills in literacy and numeracy that are developed over time, through the school curriculum. NAPLAN is not a pass or fail type test, but rather shows how individual students are progressing in numeracy and literacy skills against national standards for all Australian children.

An individual student NAPLAN report will be issued later this year. Parents can use this information to monitor how their child is progressing and to identify any areas of concern. Parents may also wish to use their child's results to discuss progress with teachers.

Student of the Week

This section will appear every week in the Newsletter and provides the students with a chance to shine. Students are awarded a Student of the Week Certificate for displaying high achievement levels or efforts in the classroom and quality behaviour and positive attitudes.

Healthy Eating + Exercise = Energy

Colourful props, hand puppets, marionettes and heaps of humour are all combined in this very visual comedy to get across the important messages of healthy eating and lifestyle. As is usual with school performances, the curriculum is supported, and it is expected that all students will attend to learn and enjoy.

Silver Savers for Chappies - Term 2

This term we are encouraging students to bring in silver coins each Friday to support Chaplaincy in our school. We realise you cannot send coins every Friday but may be able to save some change from the week.

The P&C has committed \$1000 to Chaplaincy whatever this raises. Please, if you value the Chaplaincy service in our school, send along silver coins on a Friday!! Last year we raised just over \$500.

A word from Chaplain Paula

Woonie Wizards Rugby League

Last Wednesday evening the Woongarra / Oakwood Wizards Under 12 rugby league team played a quarter-final match in the Bundaberg section of the state-wide NRL Development Cup Competition for primary schools.

A large and boisterous crowd was on hand to see the Wizards take a half-time lead of 18 - Nil against the Bundaberg Christian College Bulls at the ATW sports fields. The Wizards dominated the second half as well, to run out eventual winners 26 - 4.

Try-scorers for Woongarra / Oakwood were: Izzi G (2), Bill M, Jacob S, Trent B, Luke B and Keiran S. Izzi was the only goalkicker successful for the Wizards on the night.

Once again, there were lots of Wizards players who could have won the 'Player of the Match' award but the judges went for tireless lock-forward, Jordan B.

The Woongarra / Oakwood Wizards now play a Bundaberg semi-final against Bundy East SS on Tuesday night at Salter Oval starting at 6.10pm. The winner of this match will progress through to the Bundy grandfinal the following week on Wednesday 11 May. Congratulations to all of the Wizards players for a great result and best of luck on your game against the East SS Water Rats!
