Issue 2
13 February 2026

Dear Parents and Caregivers,

This term certainly is flying by with week 3 behind us already. We certainly have had a fantastic start to the school year. Our classrooms and students all seem to be quite settled and are busily attacking their learning outcomes. It is pleasing to see so many of our Woonies talking every task to the best of their ability. Well done, Woonies!

2026 Newsletter:

This year, newsletters will be published in weeks 1, 3, 5, 7 and 9 of each term. Teachers will inform parents if their child is receiving Student of the Week in weeks when newsletters are not published.

Woonie Focus:

This week, we have been focusing on before and after school expectations with students.

Before School:

Students should not be arriving before 8am unless they are on the bus. A friendly reminder that Helping Hands Before and After School care is available for students who arrive before 8am. We have asked that students who are arriving on the bus wait on the silver seats out the back of the Administration Building until a staff member walks them up at 8am. All other students who arrive after 8am can make their way to the Under Covered Area and will be released at 8.30am to go and play.

End of Day Procedures:

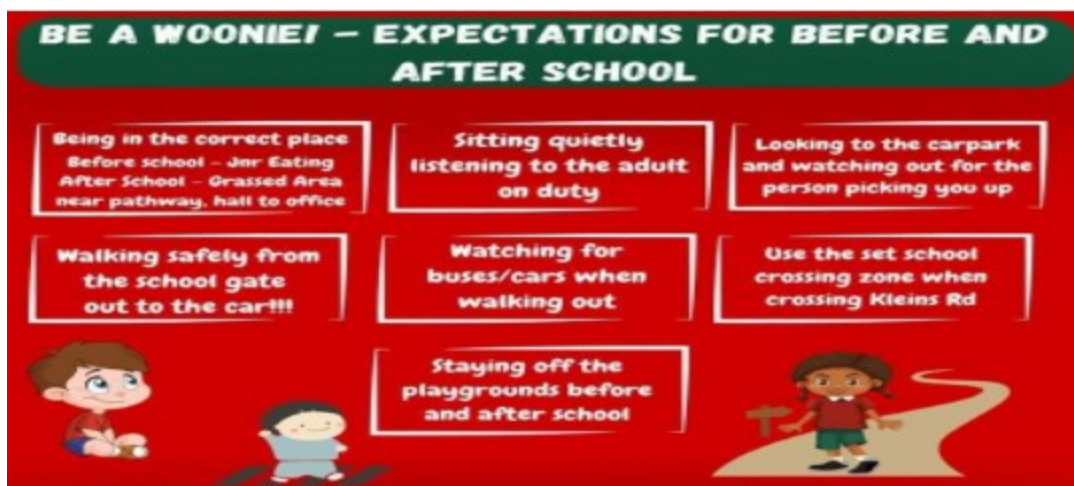

If you are collecting your child from the entry bedside the tennis court, you need to be at the gate or inside the school grounds when the bell goes at 3pm. No child is to be waiting at that gate after school. If you are not going to be here until after 3pm, your child/ren must be waiting at the rear of the administration building. If you are unable to collect your child/ren **before 3.30pm** they will need to be enrolled in after school care as staff are only rostered on duty until then.

Due to safety concerns for students, all students are not permitted to play on the playground equipment - this includes the prep playground and swing, tennis court or on the oval areas after school. This is a safety issue as there is no active supervision from staff.

Yours in education,

Narelle Clarke

Principal (A)

Back to school boost

Information for parents and carers

About the Back to school boost

The Queensland Government is introducing the Back to school boost from 2026, which provides \$100 for every primary school student (Prep to Year 6) to assist families with school-related costs.

Parents and carers can choose how the \$100 can be used towards school-related expenses.

For state school students

A \$100 credit will be applied to the student's school account. Parents and carers can choose to use the credit to reduce the school's Student Resource Scheme (SRS) fees. Or they can use it for school-organised camps, excursions, incursions and extracurricular activities, stationery items purchased from the school, uniforms or excellence programs offered by the school.

For students at non-state schools

The non-state school sector will be responsible for administration of the \$100 Back to school boost, including how it can be applied to reduce school fees or other related school costs.

Not a cash payment

Back to school boost will not be issued as a voucher or given to parents and carers as a cash payment to purchase items outside their child's school.

The funds can only be used to reduce fees or costs that schools charge to parents and carers directly. It cannot be used to reimburse families for items they purchase directly from an external or third-party supplier.

Ways to use the Back to school boost

Parents have the choice on how their \$100 Back to school boost credit is applied.

For state schools that have an SRS, the credit can be applied to reduce the cost of your child's SRS fees.

If parents and carers choose not to apply the \$100 to SRS fees, or a school does not have a SRS, the funds can be applied to the cost of other items or activities offered by the school. For example, school-organised camps, excursions, incursions and extracurricular activities, stationery items purchased from the school, uniforms or excellence programs offered by the school.

SCHOOL NEWS

Evidence of how funds are used

State schools are required to provide full transparency on how the Back to school boost funds have been applied.

Carry-over of unspent funds

Any unspent Back to school boost funds remain on a student's account and will carry over to the next year while a child remains at the same state school.

Outstanding debts from before 2026

A state school cannot use the Back to school boost to offset debts relating to charges for resources used prior to 2026. Debts related to these charges must be managed in accordance with [debt management procedure](#).

Changing schools during the year or graduating Year 6

The \$100 Back to school boost is provided once per year. If a child changes to another Queensland state or non-state school during the year, they will not receive another \$100.

Parents and carers may request a refund of any remaining funds in their child's account when they leave the school or graduate at the end of Year 6.

State schools will advise parents and carers of any remaining funds on a student's account as part of the departure process. Please contact your child's school to request a refund prior to leaving the school.

Non-state schools: decisions regarding refunds for students who leave a non-state school part way through the year, will be made at the discretion of the school. Parents and carers should contact their child's school directly to discuss refund policies and arrangements.

Special schools

All students in primary school (Prep–Year 6) are eligible for the Back to school boost, including children who attend a special school.

Schools of distance education

All students in primary school (Prep–Year 6) are eligible for the Back to school boost, including children who are enrolled in a school of distance education.

Home education

The Back to school boost is available to children enrolled in home education, in line with current Textbook and resource allowance (TRA) arrangements. Home educating parents and carers receive information from the Department of Education (the department) outlining how they can provide payment details to the department to receive their Back to school boost.

Moving to Queensland after Term 1 of a school year

Students who enrol in a Queensland state school for the first time after Term 1 of the school year, will be eligible for a pro-rata credit to be applied to their account on the following basis:

- students joining in Term 2 will be credited \$75
- students joining in Term 3 will be credited \$50
- students joining in Term 4 will be credited \$25.

Living in NSW and attending a Queensland school

All students enrolled at and attending a Queensland state or non-state school are eligible for the \$100 Back to school boost. Eligibility is based on the school's location, not the student's place of residence.

However, if a family resides in Queensland and their child attends a school in another state, including a boarding school, the student will not be eligible for the payment.

Financial support for secondary school students

All students in Years 7–12 enrolled in a state or non-state school in Queensland are eligible for the Textbook and resource allowance (TRA). This is separate to the Back to school boost and will continue for all students in Year 7–12. The 2026 TRA rates per student per year are:

- Year 7–10: \$164
- Year 11–12: \$357.

WHAT'S HAPPENING AT HELPING HANDS WOONGARRA

HIGHLIGHTS

THE PAST FEW WEEKS HAVE BEEN PACKED WITH ENERGY, CREATIVITY, LAUGHTER, AND UNFORGETTABLE MOMENTS. FROM WATER WARRIORS AND SCIENCE EXPERIMENTS GONE WILD, TO EXCURSIONS, MOVIE DAYS, CULTURAL CELEBRATIONS, AND EPIC IMAGINATIVE PLAY.

THE CHILDREN THREW THEMSELVES INTO EVERY EXPERIENCE WITH CONFIDENCE AND JOY.

WE BUILT, RACED, SPLASHED, CREATED, PERFORMED, EXPLORED, AND CELEBRATED TOGETHER. THERE WERE FRIENDSHIPS STRENGTHENED, CHALLENGES CONQUERED, TALENTS SHOWCASED, AND SO MANY SMILES ALONG THE WAY. WHETHER IT WAS KITE FLYING IN THE WIND, BOUNCING AT HIVE INFLATABLES, CRAFTING MASTERPIECES, OR FINISHING WITH PARTY VIBES AND BALLOON ANIMALS — THIS HOLIDAY PROGRAM WAS ALL ABOUT CONNECTION, CHOICE, AND FUN.

OUR NEXT ADVENTURE.

AS WE STEP INTO THE NEXT CHAPTER, OUR FOCUS WILL SHIFT TO BUILDING STRONG CONNECTIONS, WELCOMING NEW FRIENDS, AND CREATING A SENSE OF BELONGING FOR EVERYONE IN OUR COMMUNITY.

WE'LL BE SUPPORTING CHILDREN THROUGH MINDFUL MOMENTS AND MEDITATION, HELPING CALM BODIES AND READY BRAINS FOR BUSY SCHOOL DAYS. ALONGSIDE THIS, THE CHILDREN WILL CONTINUE TO EXPLORE AND LEARN THROUGH FOOD FROM AROUND THE WORLD, DIFFERENT ART STYLES, AND CREATIVE EXPERIENCES THAT CELEBRATE DIVERSITY, CURIOSITY, AND SELF-EXPRESSION. WITH A BLEND OF CONNECTION, CALM, CREATIVITY, AND DISCOVERY, WE'RE EXCITED TO GROW TOGETHER.
