From the Principal

School overview

Woongarra State School is situated amidst cane fields and small crop holdings, about 8 kms from Bundaberg in one direction, and 10km from the Coral Coast communities in another. It is a stable school population with currently 20 classes including 3 Preps at enrolment capacity. The school draws students from a mixture of socio-economic and cultural groups. There is a high level of parental support and the community takes pride in being part of the 'Woonie' tradition. Teaching staff are justifiably proud of their commitment to delivering the best possible educational experiences. They have been very successful in engaging with the Australian Curriculum and implementing its various aspects. Students and parents are very clear about expectations for behaviour, wearing school uniform and caring for the school's physical environment. Academic, sporting and cultural pursuits are all highly-valued and publicly rewarded and, as a 'Reef Guardian' school Woongarra is involved with local environmental issues.

Notes:

1. Student counts are based on the Census (August) enrolment collection.
2. Indigenous refers to Aboriginal and Torres Strait Islander people of Australia.
3. [pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2019, there were no students enrolled in a pre-Prep program.

Average class sizes

Table 2: Average class size information for each phase of schooling

Phase of schooling	2017	2018	2019
Prep – Year 3	24	24	22
Year 4 – Year 6	24	25	27
Year 7 – Year 10			
Year 11 – Year 12			

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Parent and community engagement

Parent volunteers are always welcome and all classes avail themselves of parents' talents and assistance throughout the year. Several parents have undertaken the TAFE Certificate 3 for Teacher Aides and are supported by specific teachers. Our Parents and Citizens' meetings are very well attended, our tuckshop has a secure supply of parent helpers and we have received positive feedback through the Parent Opinion Survey. This all attests to the welcome the parent body appreciates at Woongarra.

A number of events throughout the school year have become traditions at Woongarra, strongly supported by families. The school ANZAC Day commemoration service, Under 8's Day and the Coastal Sports afternoon (which Woongarra hosts) in preparation for district sports, are just some of the traditions of which we are very proud. Involvement of parents in these occasions frequently leads to their increased participation in the learning/teaching aspects of school.

Our approach to engaging with parents and the community is aligned to the Department's Parent and Community Engagement Framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

Respectful relationships education programs

The school has developed and implemented programs that focus on appropriate, respectful, equitable and healthy relationships. School Administrators and staff are familiar with processes associated with reporting suspected harm and are mindful of any potential situations.

The Health curriculum across all year levels targets positive relationships and the importance of rules for behavior, as well as how to stay healthy in every aspect of life.

The school's Chaplain conducts friendship/social skills programs where needed.

Year 6 students completed the Daniel Morcombe Child Safety Curriculum covering the areas of "Recognise, React and Report". In Term 4, they participated in a Relationships Education Program focusing on puberty, reproduction and social and emotional learning.

A growing body of evidence shows that social and emotional learning leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	2	3	4
Long suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

The school community is regularly reminded about water use as Woongarra is not attached to town water but operates with rainwater tanks, and bore water for watering the grounds. Similarly efforts are attempted to minimize electricity use, including the use of solar panels - in particular to offset increased usage due to the whole school being air conditioned.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)		135,398	133,603
Water (kL)			

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

For more information, please refer to the following links

- <https://www.qct.edu.au/registration/qualifications>

Professional development

Teacher participation in professional development

Queensland state schools undertake 5 staff professional development days (25 hours) throughout the year:

- 2 days at the end of the summer holidays (fixed)
- 2 days during the Easter holidays (flexible)
- 1 day in the third last week of Term 3 (fixed) on the student free day.
